# Options

- **Smoke Signal** – Onsite software
- **Cloud Signal** – Off site software
- **On Time for Anything** – On and offsite application

what **if**...

A stranger leaves a backpack...

A chemical spills near a flame...

An intruder runs past the office...

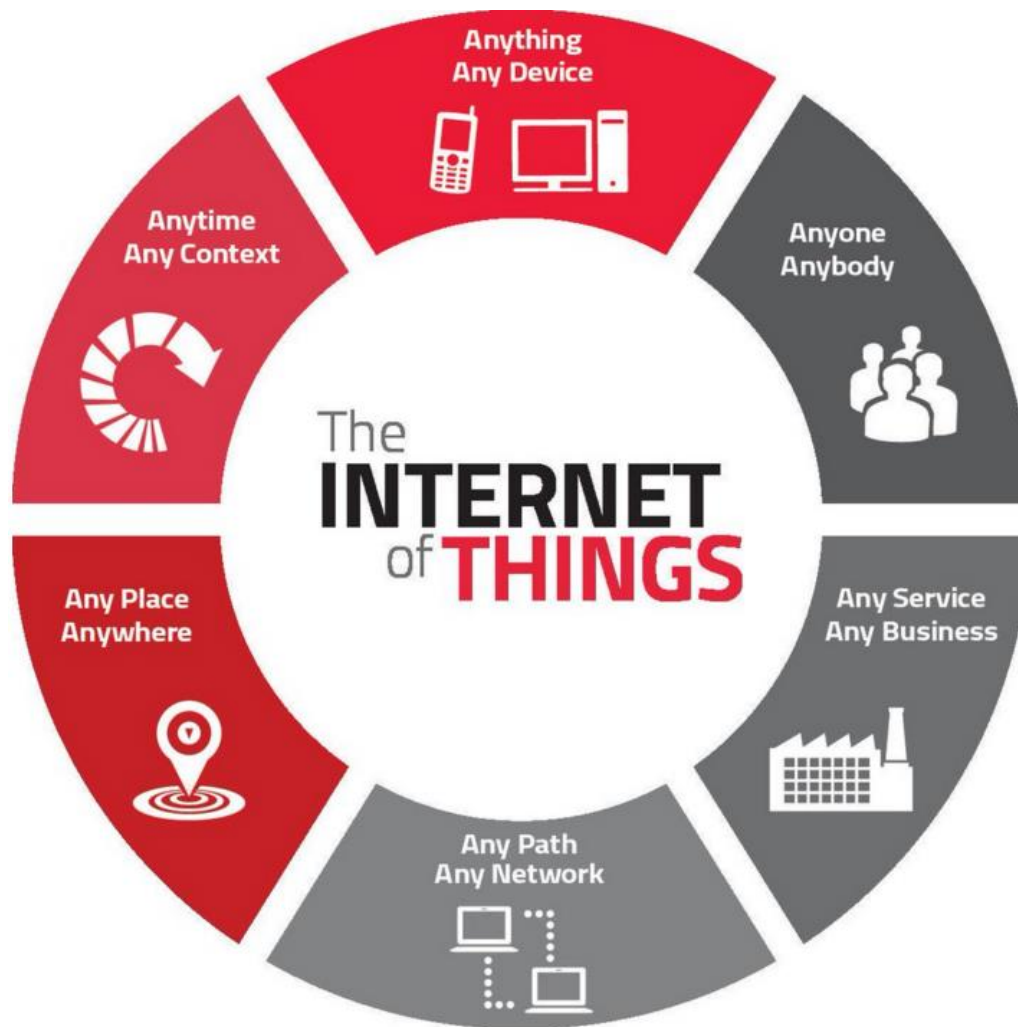

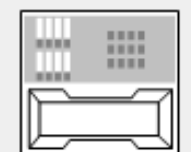

No one wants to budget for events we hope will never happen, ***but in today's world;*** we all know action plans need to be in place ... soon!

**On Time for Anything**  
software and service can help for as little as a cup of coffee per day, and **if you call now, we start tomorrow.**
