

Ultimate!

SOFTWARE THAT MAKES CONTACT

the Ultimate! Communicator

Ultimate Software Products

- Over 25 years of software development
- Serving national distributors & accounts like:
 - ☐ Toshiba Telecom, TAG, Teleco, Toshiba Canada
 - ☐ Holiday Inn, American Express, Guitar Center, Comfort Inn, States of North Carolina & Kansas
- Over three hundred dealers in North America

Easier Faster Better software...

Our Goal is to make software easier, faster and better - EFB

EASIER

Make contact with groups by simply picking up a phone, dialing a number and recording a message. Press # and the calls go out to hundreds even thousands.

FASTER

Calls, texts, and emails go out to your group as fast as one per second, or you can spread them out over a longer period of time.

BETTER

Keep it Simple or use advanced features – the Ultimate Communicator has personalized messages, multiple languages, text to speech and scheduling controls.

[Schedule a demo today.](#)

The Challenge – the Judge

- Provide any organization a rapid message system & Activate the message from anywhere anytime in seconds
- Provide service without menus, manuals, and man-hours
- Provide this service at a low price – low enough for any budget

The Turning Point - *Ultimate* found a way to send messages by text, email, and telephone calls without hardware or software!

The Execution It is as easy as A, B, C ...

A. The customer:

- ☐ Dials a subscriber phone number.
- ☐ Enters a group/security code then presses the '#' button
- ☐ Records a message (short or long), then presses the '*' button

B. A detailed report is available to the subscriber within minutes.

C. The message is delivered to a list of contacts via our cloud server

The Result – Appointment reminders / Urgent messages sent / Recruit for help / Confirm a delivery

Fill the auditorium or stadium seats / Delivery announcements / Service prompts / even a wake-up call!
